

Barefoot

Judge Seminar

11.-12.5.19

You would like to become part of the barefoot family?

... learn from the best judges

The Barefoot Council would like to increase the number of judges. Without judges a competition can't be organised. That's why the Barefoot Council is organising a judge seminar (for all levels of judges and especially for beginners). The seminar will take place in Schleich, Germany. The best officials of europe (like Ludo Vrancx, Paul Turner, Andy Harris, etc.) will be there.

The clinic will start on Saturday 10am with a theoretical part (including scoring software, result management, rule changes, scoring, judging, homologation, ...). On Sunday the judges have the opportunity to judge from the boat (practical part).
