

Dear teammanager, show director

The Youro-Kup is back with a brand new 2023 edition. The past year we have worked on making this event possible on a new ski site. This year's competition will be held in the sports capital of France, **Vichy!**

With moving this event to a new location, we are aiming for bigger crowd and more possibilities for teams to perform their show. No matter how big or small your team might be, this ski site will suit your team's performance.

In the upcoming weeks we will be sending out more info on the site.

As we all know, the Youro-Kup stands for connecting showskiers all over Europe. Therefore, we will be providing **social events and lodging** that stimulates the teams to be together and make wonderful memories. We will try our very best to keep the costs at a minimum so everyone is able to join the event.

In the upcoming weeks, we will be sending out more info on lodging and costs.

The **schedule of events** has slightly been changed for this year's edition, and will be the following:

Friday 25th of August: Opening Ceremony

Saturday 26th of August: Individual Competition (Swivel, Doubles and Jump)

Sunday 27th of August: Show Competition followed by Closing Ceremony

We are happy to hear from you if your team will be joining the 2023 Youro-Kup and if you have an estimate on how many team members would be coming along for this event.

May we please ask you to email us if you are interested in competing through the following email: lieven.hardy@hardy.be

Do not hesitate to contact us with any questions concerning this event or your team's possibility to compete. We will gladly help you overcome any difficulties.

Hope to hear from you soon!
