WACHAU RACE
Hollenburg / Austria

Bulletin 2

Dear friends,

I am very happy to invite you to our race in the idyllic village of Hollenburg on the River Danube (in the near of Krems, where European Water Ski Racing Championships 2016 took place). We are sure that the race track in Hollenburg on the River Danube will also inspire you with a nice little restaurants, overnight accommodations and the excellent connection to the "Wachau".

In the beginning this race was only planned as a national race. Then there were a few inquiries from neighboring countries and now it will be the final run of the European Cup in Waterski Racing.

At this point I would also like to express my thanks to Chris Rydl and Vera Van den Bosschen for their great commitment!

Even though the race area is a little tight, we will try our best to give you a nice stay. We are already looking forward to a great and well-attended final.

It's a race for the Austrian Championships and the

Final of European Cup

Please help us to organize the race and send the entry form as soon as possible! No later than **30th June 2023!** to g.foerstel@gmx.at . Manny thanks!

If you need further information, please do not hesitate to contact us.
